

MEMORANDUM

TO: L. David Glatt, P.E., Chief
Environmental Health Section

FROM: Scott A. Radig, P.E., Director /s/
Division of Waste Management

SUBJECT: Petrocomp Special Waste Permit Application Review and Recommendation

DATE: April 27, 2010

The Division of Waste Management (Division) recommends that you approve the enclosed permit for a special waste treatment facility and landfill located in Bowman County, ND. The Division received numerous comments, both in writing and at the public comment hearing held in Bowman. Enclosed for your consideration is a copy of the comment review and response document. Following the response document are transcripts of the public comment hearing and copies of all written comments that were received.

After completing your review of these materials, please inform me, in writing, of your decision to approve or deny the proposed permit, or to take some other action, such as modifying the proposed permit's terms. North Dakota Administrative Code § 33-20-03.1-03 outlines the permit application review procedures.

If you decide to accept the Division's recommendation, please sign the enclosed permit, or, if you prefer, I can sign the permit at your direction. Please also inform me, in writing, if you would like me to sign the permit.
